

MORE THAN JUST HERONS

The Campaign for the Interpretive Centre Operations

The preservation of unique natural habitats is an essential part of life in Chilliwack. The Great Blue Heron Nature Reserve provides a home for a number of endangered species as well as the third largest heron colony in B.C. Through a \$750,000 program, the Chilliwack Rotary Club built a unique Interpretive Centre to enhance the appreciation and educational values of the site. The goal of this campaign is to raise \$20,000 to augment grants from the City of Chilliwack to provide continuing operation of the Interpretive Centre through the on site presence of a Coordinator of Volunteers. Your gift will help to ensure that the Interpretive Centre remains a part of the Great Blue Heron Nature Reserve experience.

Great Blue Heron Nature Reserve Society

The Great Blue Heron Nature Reserve Society is a non profit organization whose mandate is to operate a nature interpretive centre within the Great Blue Heron Nature Reserve. The centre's programs are designed to broaden the community's awareness and appreciation for the natural and historical values of the Reserve through research, exhibits, tours and educational programs for the benefit of the Chilliwack and area community.

To make a donation now, please print and fill out the following form. You may return the form by mail or in-person at the Interpretive Centre. Please note that donations **are** tax-deductible.

Thank you
